| Client Practitioner annual licence | £414 + VAT |

## Profile Generation Options Tailored for You

### Option 1

Access to your own part of the Insights Discovery portal with your own unique URL, that enables you to send out the evaluator link, generate profiles and team wheels. You have full profiel adminstration access.

### Option 2

Take advantage of the administrative service offered by Churchill Square, and we will furnish you with our URL for communication with your employees. We request a delegate list for monitoring Insights Discovery responses, ensuring timely reminders. Profiles with the required chapters will be generated, and the corresponding PDFs will be sent to you via email.
