Profile Generation Options Tailored for You

Option 1

Access to your own part of the Insights Discovery portal with your own unique URL, that enables you to send out the evaluator link, generate profiles and team wheels. You have full profile & adminstration access.

Option 2

Take advantage of the administrative service offered by Churchill Square, and we will give you your own URL for communication with your employees. We request a delegate list for monitoring Insights Discovery responses, ensuring timely reminders. Profiles with the required chapters will be generated, and the corresponding PDFs will be sent to you via email.
